

Dear Partner,

This November at VR Ambarsar, Diwali wasn't just a festival of lights; it was a celebration of joy, community, and giving back. We spun the wheel of gold, watched shoppers reign supreme in daily contests, and painted the night with eco-friendly lanterns. Music, laughter and performances filled the air as we shared the joy of the festival with you.

**Spin the Wheel & Win!**

02<sup>nd</sup> to 15<sup>th</sup> November

Customers spun their way to festive fun with our "Spin the Wheel & Take Out the Gold" game. Every retail purchase became their golden ticket, granting them a chance to win thrilling vouchers from renowned brands like KFC, Chinese Wok, M.K. Grill, Detailing Bull, Reebok, and Lifestyle. Retail partners were delighted to see the activation bring their brands to life and engage customers in a unique way. **Lanterns, Smiles,  
and Generosity!**

Our captivating Lantern activity, held on the 11<sup>th</sup>, was more than just a spectacle of twinkling lights; it was a message of eco-conscious revelry. We partnered with IVE NGO and Riddhi Siddhi Trust to make this Diwali extra special for orphaned children, showering them with gifts and laughter. As lanterns illuminated the night, symbolizing hope and prosperity, we witnessed a beautiful exchange. Children received gifts, love, and a chance to shine, while we were gifted with their infectious enthusiasm and pure joy. It was a Diwali celebration that transcended decorations and sweets; it was about igniting the spark of happiness in every heart, young and old.
