

# Dear Partner,

In May, VR Ambarsar hosted a lively Mother's Day celebration which captured moments with the boundless love and warmth that only a mother's embrace can offer. Additionally, a month-long horticulture workshop at the centre provided hands-on learning experiences for students, aligning with our commitment to environmental consciousness. As Punjab geared up for elections on June 1st, a vibrant rangoli session was organized to encourage voter participation in conjunction with District Election Officer.

These events epitomized our dedication to community engagement and civic responsibility in larger aspect.

A month-long horticulture workshop was organized for students of Khalsa College, Amritsar, in line with our community program #VRforEarth. The students learned different aspects of horticulture at VR Ambarsar and curated beautiful landscapes, gaining hands-on experience and valuable knowledge. This initiative aimed to promote sustainable practices among the youth and foster a deeper connection with nature. At VR Ambarsar we believe that educating the young is key to building awareness and a better future.
